Sunday	03/16	7:45am-11pm	Review + Oral prep	Start oral prep

WEEK 5: MARCH 17-23 (Final Review)

Focus: No new reading. Pure review and oral exam preparation.

Daily routine: Morning practice exam or topic review → Afternoon oral prep → Evening Quizlet + weak areas

Goal: Consistently scoring 80%+ on practice exams

EXAM WEEK: MARCH 24-27

MONDAY 03/24: Light review only (1 hour max). Early sleep. DO NOT CRAM.

TUESDAY 03/25: WRITTEN EXAM DAY — Wake 6am, heavy protein breakfast. You know this.

WEDNESDAY 03/26: REST — No studying for written. Oral prep only (3 hours).

THURSDAY 03/27: ORAL EXAM DAY — Wake 6am. Crush it.

DAILY STUDY METHOD

For each 5-6 page block:

1. Read (30 min) — Active reading, highlight key terms
2. Quizlet (15 min) — Create 5-10 flashcards

3. Practice question (15 min) — 1-2 questions on topic

Total per block: ~60 minutes

Weekly Quizlet Review:

- Saturday: Review all cards from week
- Sunday: Focus on missed/difficult cards

SUCCESS METRICS

- By March 1: All 5 topics read once
- By March 10: All textbook reading complete
- By March 17: Scoring 70%+ on practice exams
- By March 24: Scoring 80%+ on practice exams
- March 25-27: PASS BOTH EXAMS
